

Life Still Has Meaning

If there is a future, there is time for mending-
Time to see your troubles coming to an ending.

Life is never hopeless, however great your sorrow-
If you're looking forward to a new tomorrow.

If there is time for wishing, there is time for hoping-
When through doubt and darkness you are blindly groping.

Though the heart is heavy, and hurt you may be feeling-
If there is time for praying, there is time for healing.

So if through your window, there is a new day breaking-
Thank God for the promise, though mind and soul be
aching.

If with harvest over, there is grain enough for gleaning-
There is a new tomorrow and life still has meaning.
